OUR MODEL

Welcome to the Eagle Nexus Real Estate Group. We sincerely desire that you will become more successful in real estate because of your association with us.

Our mission is simple: within the scope of our real estate practice, we will provide the highest quality service to genuinely help those who come our way. We will always endeavor to serve our clients without regard to costs of personal convenience. We will not enter into a business relationship with people who are abusive toward us or who endeavor to achieve dishonest gain at the expense of other parties.

The Agent Partner tier is built for established, self-generating agents who want coaching, accountability, and the strength of the Eagle Nexus brand without dependence on company leads. Agent Partners bring their own business, contribute to team culture, and are rewarded with a favorable split and a clear cap structure.

The team serves the agent — not the other way around. We will provide as much administrative support as possible using professionally designed systems. The team does not have a goal to generate income from agents, but only to cover the costs of running a highly successful real estate team.
